

Teacher Center Workroom Materials

Suffolk's Edge Teacher Center's Workroom is designed to support teachers in their quest for exceptional educational instruction. The contents of the workroom are updated periodically based upon the needs and requests of teachers and administrators from our member districts. The workroom is conveniently located at 31 Lee Avenue, Wheatley Heights, NY 11798 and is open Monday-Friday 8:30am-3:30pm. Appointments are required to use the teacher center resources listed below. Please email Tahisha Hunter at thunter@wsboces.org to make an appointment.

Workroom Materials

Laminators- Two hot laminators and one cold laminator. The possibilities of preserving your instructional materials with these machines are endless!

Poster Printer- Creating a poster is a great way to enhance any classroom or bulletin board!

Button/Magnet Maker- This is a great way to bring a classroom to life. Download the button template on the SETC website and have students design their own button, make buttons with student names, roles for special events, or bring awareness to a pressing social issue! The opportunities are endless!

Ellison Die Cuts Available Chart – Enhance any classroom or bulletin board with our wide collection of die cuts. The die cuts also allow for terrific student manipulatives as well. Visit the SETC website to see the extensive list of die cuts that we have!

Technology Lending Program- The SETC has various pieces of technology available for loan for up to two week periods.

- ChromeBooks
- Ipads
- Google Expedition Goggles
- Robotic's Kits (New for 2019!)
 - 6 dash and dots
 - 12 Ozobot Evos
 - 2 sets of 12 3doodlers
 - 5 Lego Wedo 2.0 kits
 - 20 Microbits

If you have any questions about the materials located in the workroom please contact Dan Oggeri at doggeri@wsboces.org.
